Sir:

In response to the non-final Office Action of September 11, 2002, please amend the
above-identified application as follows:

In the Claims:

Please amend the claims as follows:

- 507
61
A1
1. (Amended) A network for providing a telecommunications service with automatic speech recognition to a telecommunications user, comprising:
a switch in communication with a telecommunications device associated with the telecommunications user for detecting a trigger specific to the telecommunications service in response to a communication from the telecommunications device; and
